

# We can beat coronavirus together

✓ Covid-19 vaccines have been tested and are safe.

✓ Getting vaccinated is the best way to protect yourself, your loved ones and your community.

✓ You will be contacted when it is your turn – please don't call your GP.

✓ If you have your invitation but need help sorting out your vaccination appointment call **We are Islington** on **020 7527 8222** or email **[weareislington@islington.gov.uk](mailto:weareislington@islington.gov.uk)**

We're open 9am-5pm, every day **#WeAreIslington**

# Free Covid-19 rapid test

Take a test if you need to leave home for work and have no symptoms

Regular testing helps find and stop the spread of coronavirus.

It takes only 15 minutes with results sent to you within two hours.

Find your nearest site and book: [islington.gov.uk/rapidtest](https://islington.gov.uk/rapidtest)

## Support Payment

If you test positive, you may be eligible for a £500 Test and Trace Support Payment.
