

# 40th Angel Canal Festival

1986 - 2026

**JOIN US FOR OUR RUBY CELEBRATION!**

**Sunday 6th Sept 2026**

**11am until 4pm**

**City Road Basin, Graham St , the towpath by City Road Lock and Graham St Gardens**

It is now an unbelievable 40 years since the first back garden party was held to save City Road Basin and preserve it as an amenity for the local community. The Angel Canal Festival, the much loved free, family friendly event, is still going strong and bringing the joys of the water space to local residents, charities and businesses.

Join Ruby and Scarlet Garnett, our costumed boatwomen, for a day of entertainment, puppetry, art workshops, live music, free water based sports, great street food, traditional canal boats and lots, lots more.

Check our website [www.angelcanalfestival.co.uk](http://www.angelcanalfestival.co.uk) for the history of the festival and those who worked so hard to make it possible. If you wish to book a stall (£55) or a catering pitch (£120) the application forms can be downloaded from there or email:-
