

Your say on safety

We are working hard to make Islington safer for everyone, and we want to hear from you!

Public Space Protection Orders (PSPOs) help us protect you and act against anti-social behaviour.

We want to extend two of these orders that cover the whole borough against things such as dangerous dogs and anti-social behaviour around street drinking.

Want to help us to help you? **Have your say on the extension by Monday 31 August.**
